#### Notes:

- i. This loan product is for targeted citizens domiciled in rural areas of Zambia (excluding all Provincial Capitals e.g. Lusaka District).
- ii. Accordingly, the verification exercise will require confirmation that the proposed project will be undertaken within the applicant's location.
- iii. Farming experience and having cleared land ready for cultivation will be an added advantage.
- iv. Preference will be given to applicants making their own contribution to the planned project (i.e., contribution in the form of land, borehole, irrigation system, power, etc.).
